SPECIAL DONATION OPPORTUNITY: BLUETOOTH WIRELESS KEYBOARDS FOR iPADS

In preparation for the Horizons for Youth Summer Academic Program this July, we are seeking donations of Bluetooth wireless keyboards for iPads. Our students use them on a daily basis during the summer and find they are much more productive when they have a physical keyboard to use in tandem with their iPads.

Click [here](#) to access our Amazon Wish List and make a donation. If you would prefer to donate something else, our Wish List also includes a wireless printer, iPad cases and a secure utility cart for the equipment.

If you have any questions about this donation opportunity, please contact meghan@horizons-for-youth.org.

Thanks in advance for your thoughtfulness and generosity!

WE LOVE OUR VOLUNTEERS!

To celebrate Volunteer Appreciation Week, we expressed our gratitude to all 441 of our fantastic volunteers in a number of ways. We held a special happy hour that was attended by over 75 of our volunteers at For the Win in Streeterville. They enjoyed food, drinks, games, and animated conversation. We also handed out candy with special messages to our tutors and Young Professionals Board.

To top it off, we put together a video to demonstrate how much we value the many individuals who made a difference in our students' lives. Click [here](#) to watch the video.

If you or someone else you know is interested in volunteering, please email lisa@horizons-for-youth.org.
