**8th Graders Prepare to Take Off for High School**

Horizons for Youth is pleased that our 8<sup>th</sup>-grade students have been accepted into such high-quality schools as UIC College Prep, Gordon Tech, Saint Ignatius, The Wolcott School, and St. Joseph. During the high school application process, we work with each of our students to help them choose the high school that provides them with the best fit their individual needs.

Additionally, Horizons for Youth recently admitted 11 8<sup>th</sup>-grade students into our High School Program. While acceptance into our elementary program is predicated on the commitment of the child's parents to his or her education, admittance into our High School Program is based on students demonstrating that they have taken ownership of their education and are invested in their future.

We are immensely proud of all of our students, and we're excited to see what they accomplish next!

**Join the Madness!**

**NCAA Tournament Watch Party**

Join us at Joe's on Weed as the Horizons for Youth Young Professionals Board hosts a watch party for the year's most exciting day of basketball!

By Daimon, 5th Grade

On Saturday, I went with my Big Sib, Brian, to an outing at Comedy Sportz! We learned about improvisation and how to act without a script.

My favorite part of the outing was when I went on stage and got to be part of an improv skit with the Sportz Comedy cast. I was nervous at first, but it was fun after I made everyone laugh. There were a lot of other activities, and we had to make up everything as we went along.

I had fun with Brian at the outing. We learned that it's always better to go along with something than to say no. I can't wait to do it again next year!
