## **May Outing: Bowling**

By: Ezekiel | 5th Grade

At the May outing, my big sibling, Tim, and I were able to choose between roller skating and bowling. We chose bowling because we went last year and it was a lot of fun. We got our own lane with two of our friends, and we were allowed to bowl three full games.

My favorite part was getting two strikes and three spares in the second game. After I found the right bowling ball size, we put the bumpers up and I got my highest score. I scored a 102, which was the best score in our lane! I even beat Tim and the other Big Sib in our group.

After we shared pizza and pop at the bowling alley, we took the bus back and played soccer and tag in the park until our parents came. Bowling was so much fun, and my scores have gotten better every time. I'm excited for when my Big Sib takes my two friends and me bowling again this summer.
