INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Horizons For Youth

Report on the Financial Statements

I have audited the accompanying financial statements of Horizons For Youth (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, functional expense, change in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Horizons For Youth, as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

NATURE OF ORGANIZATION

Horizons for Youth is an Illinois not-for-profit corporation formed to provide educational and personal support for children from financially disadvantaged families throughout the Chicago area. Among the programs offered by Horizons for Youth are a financial scholarship program, a child enrichment program, a summer program, and a mentoring program.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

Financial statement presentation follows current accounting standards. Under those standards, the Organization is required to report information regarding its financial position according to three classes of net assets: unrestricted net assets, which represents the expendable resources that are available for operations at management's discretion; temporarily restricted net assets, which represents resources restricted by donors as to purpose or by passage of time; and permanently restricted net assets, which represents resources whose use by the organization is limited by donor imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organization. The Organization had no temporarily or permanently restricted net assets at June 30, 2013.

Restricted and Unrestricted Revenue

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions. Temporarily restricted contributions whose restrictions are met in the same reporting period are included in unrestricted support. Temporarily restricted contributions from prior periods whose restrictions are met are reclassified to unrestricted net assets and reported in the statement of activities as temporarily restricted net assets released from restrictions. Horizons for Youth has not received any contributions with donor imposed restrictions that would result in permanently restricted net assets.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Unconditional promises to give recorded as receivables were \$38,694 at June 30, 2013. All of the pledges are expected to be collected during the fiscal year ending June 30, 2014. Accordingly, no allowance for doubtful accounts has been established.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Services

\$222,020 of in kind contributions were included in the financial statements as income and related off-setting expense during the year ended June 30, 2013. These amounts consist of tuition reductions and pro bono or reduced professional services rendered to Horizons for Youth.

A substantial number of unpaid volunteers have made significant contributions of their time to develop Horizons for Youth Programs. Their contributions include the organization of child enrichment activities and parent program events, solicitation of financial support, monitoring the performance of children in the program, service as “Big Siblings” to the children, and planning various special events.

Horizons for Youth tracked volunteer hours for tutoring, mentoring, events, and services rendered by the Board of Directors. 14,112 of total volunteer hours were tracked for the year. These services have not otherwise been included in the financial statements, as they do not meet the criteria established by current accounting standards for recording donated services. An estimated value to the organization for these donated services is \$312,440, which is based on an hourly rate of \$22.14 as established by the Independent Sector, a not-for profit organization which supports other not-for-profit organizations.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Financial Statement Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Statement of Functional Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the statement of functional expenses. Directly identifiable expenses are charged to programs; scholarships; general and administrative expense; and fund raising. Expenses related to more than one function are charged on pro-rata basis as estimated by management. Salaries and benefits are allocated on the percentage of time that the individual spends working on a given area. The allocation is done as a percentage of hours dedicated to an area to the total amount of the hours the staff member works. Certain expenses are allocated based on their usage. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. It qualifies for charitable contribution deductions under Section 170(b)(1)(iii) and has been classified as an organization that is not a private foundation under Section 509(a)(1). All required payroll tax filings through June 30, 2013 have been filed by the Organization. The Organization has filed its US Form 990 and Illinois AG 990 IL through June 30, 2012, with the current year return due on November 15, 2013, and is in the process of filing an extension through February 15, 2014.

Long Lived Assets

Long-lived assets to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the related carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the excess of the assets' carrying amount over the fair value of the asset. Fair value is based on market quotes, if available, or is based on valuation techniques. There were no impairment losses recognized during the year ended June 30, 2013.

Uncertain Tax Positions

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization is not involved in any venture which, in its opinion, is subject to tax on unrelated business income. Accordingly, the Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

The Organization's federal Exempt Organization Returns for the years ending June 30, 2010, 2011 and 2012 are subject to examination by the IRS, generally for three years after they were filed. Any years prior to July 1, 2009 are therefore considered closed. The tax return for the year ended June 30, 2013 is due without extension by November 15, 2013.

DATE OF MANAGEMENT REVIEW

The Organization has reviewed subsequent events through and including October 7, 2013 which is the first date the financial statements were available for distribution.

EMPLOYEE RETIREMENT PLAN

The organization offers employees the opportunity to participate in a deferred compensation plan pursuant to Internal Revenue Code Section 401(b). The plan is funded 100% by employee deferrals. The organization does not make any employer contributions to the plan.

When items of property or equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is recognized. Depreciation is calculated using the straight-line method, over periods of 5 to 15 years. Depreciation for the year ended June 30, 2013 amounted to \$260.

Property and equipment at June 30, 2013 consist of the following:

Office equipment, furniture and fixtures	\$ 14,790
Leasehold improvements	<u>2,370</u>

The organization leases one facility located in Chicago, Illinois which serves as the Organization's center for child enrichment, volunteer activities and its administrative office. Additionally, the Organization may from time to time, rent sites for its specific fundraising activities. The headquarters facility is leased from Old St. Patrick's Parish. Commencing January 1, 2010 the Organization entered into a new lease for the period of January 1, 2010 through and including December 31, 2014. The lease has one option to renew for a period of five additional years at the conclusion of the lease. The renewal term calls for an annual rent of \$25,200. Rents paid to the landlord, Old Saint Patrick's Parish, for rent and parking amounted to \$27,900 during the year ended June 30, 2013. The scheduled facility lease payments for the duration of the lease subsequent to the year ending June 30, 2013 are as follows:

FAIR VALUE OF FINANCIAL INSTRUMENTS

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. The Organization's significant financial instruments are cash, accounts receivable, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

CONCENTRATION OF RISK

Of the organization's revenue during the year ended June 30, 2013, approximately 45% of the Organization's total support and revenue was derived from its two major special events, specifically its Cloud Nine fundraiser and partnership regarding the "No Ordinary Evening" gala.

The Organization maintained account balances in two depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 in each institution. The Organization had \$600,882 on deposit in one institution at June 30, 2013. This amount exceeded the FDIC insurance limit by \$350,882 and that amount was deemed at risk.

NO ORDINARY EVENING EVENT

The Organization partnered with the Declan Drumm Sullivan Memorial Fund to host the "No Ordinary Evening" event, a gala attended by over 700 people. Horizons for Youth had been selected as the primary beneficiary of this event, receiving 90% of the proceeds. The event raised \$434,374 for the Organization.
