

Dear Friend,

For the past 24 years, Horizons for Youth has helped our family honor the memories and legacies of our beloved Paige and Lauren. It's amazing to realize the impact that On Cloud Nine has had on Horizons for Youth's mission and we're grateful for the help you've provided that creates transformational programming for their students.

When our partnership began, Horizons served about 50 students in grades K-8. This coming academic year, the organization will provide assistance to more than 200 students from kindergarten through college and career entry.

Horizons has always worked to meet the needs of its students, but the nearly \$7 million in financial support from 24 years of On Cloud Nine has been integral to the creation of sustained diverse learning support, pivotal academic interventions, life-changing focus on self-advocacy, critical counseling services, meaningful career exploration, and collegiate and post-secondary planning.

Our family loves that Paige's and Lauren's legacies are connected to this mission and we consider Horizons for Youth an extension of our family. We are as grateful to them for their support as they are for our impact on their work.

As we look forward to continued involvement in On Cloud Nine, we think it's important that the event start to focus more on recognizing the incredible family of volunteers that help achieve Horizons for Youth's meaningful results.

On February 1, 2025, we will celebrate the 25th Anniversary of On Cloud Nine's partnership with Horizons for Youth. We're excited to mark this special milestone with continued support of this organization as we shine a spotlight on the transformational commitment of their advocates and stakeholders. As part of the group that has helped make this relationship so successful, we hope you will consider joining us in support of their mission.

Sincerely,

Kent, Zach & Dylan Barnett
